

Competitive Products Comparison

'The following chart is a generic grouping of similar products. Each manufacturer's product is distinct and it is not our intention to imply that there is an exact equivalency within any generic group. The following is not a complete list of all products available, only the most commonly used in western Canada.'

	HIGH PERFORMANCE								LOW PERFORMANCE			
	SILICONES			STRIPS	2-Parts	URETHANES		POLYSULPHIDES		THERMO-PLASTICS	BUTYLS	ACRYLIC-LATEX
